

OmniPro has always provided exceptional value to our CPD clients by combining the highest quality seminars at the most competitive rates in the market. Now, during this recessionary period we are offering you even greater value through our CPD Club. Bulk buy your CPD in advance and receive a further discount on our already recession busting rates.

We have designed three CPD Club Packages to suit your requirements and whether you are in practice or industry, an individual or a group of work colleagues who wish to avail of this exceptional offer, we can cater for your needs.

In an attempt to further assist you in your ongoing battle against the recession why not avail of our Easy Pay Option. Spread your CPD Club Investment over a six-month payment plan, with no extra charges or fees.

The OmniPro CPD Club Packages		
Personal CPD Bundle	24 Points	€540.00
Group Scheme Lite	48 Points	€1,000.00
Group Scheme Plus	96 Points	€1,900.00

How does the Club work?

- Each package is pre-purchased and contains a number of points that are redeemable against every seminar on our schedule and also our online offerings.
- All seminar material is clearly marked with the number of points required to attend.
- When booking, quote your unique CPD Club Code and your booking will be set against your points.

What Type of Savings Can be made with the CPD Club?		
	CPD Club Package Price	Cost Per Standard CPD Hour
Personal CPD Bundle	€540.00	€22.50
Group Scheme Lite	€1,000.00	€20.80
Group Scheme Plus	€1,900.00	€19.79

- Each of our standard 8 Hour CPD seminars can be attended for 8 CPD Club points. As over 85% of our CPD events are classified at this rate you are guaranteed to have access to the highest quality CPD at the lowest rates in the market.
- Note, some higher rate seminars will require 10 CPD points for 8 hours or in the case of our specialist conferences, 12 CPD points for 8 hours.

Our CPD club is designed to be completely transparent and fair, offering you the greatest return on your CPD investment.
